REQUEST FOR QUOTES

To: Potential Providers – Arena floor scrubber (aka Ride-on scrubber)

Re: Request for Quote (“RFQ”) — Louisville Arena Authority, Inc.

This document constitutes a request for quotes by the Louisville Arena Authority (“LAA” or “Arena Authority”) from qualified suppliers to provide an Arena floor scrubber located within the KFC Yum! Center.

The RFQ Response Due Date is April 24th, at 5.00 pm EDT.

FACILITY INFORMATION

The Louisville Arena Authority is a Kentucky non-stock, non-profit corporation, created for the purpose of overseeing the creation, design, construction, financing, management and operation of the multi-purpose arena built in downtown Louisville, Kentucky. The arena, named the “KFC Yum! Center,” opened in October 2010. The LAA’s all-volunteer Board of Directors is comprised of 10 members appointed by the Governor of the commonwealth of Kentucky and five appointed by the Mayor of Metro Louisville. The LAA was created under the Kentucky not-for-profit corporation statutes and has obtained 26 USC § 501 (c) (3) tax-exempt status. Key background data is provided for some context for the Project.

The KFC Yum! Center is managed and operated by Legends Global, Inc. pursuant to a management agreement dated July 1, 2012, and subsequent addendums. Legends Global is authorized to act as agent for the Louisville Arena Authority in the management of this Request for Proposal with selection of award made by the Louisville Arena Authority Board of Directors.

The KFC Yum! Center, a state-of-the-art multi-purpose arena, is home to the University of Louisville Men’s and Women’s Basketball programs. Additionally, it is designed to accommodate a wide variety of other events including NCAA championships such as wrestling, gymnastics and volleyball, as well as concerts, family shows, trade shows, private events and conventions.

PROJECT BACKGROUND

The KFC Yum! Center has a Ride-on that is used to clean floor surfaces within the arena, the machine replaces manual mopping. The arena has utilized the machine for 15 years. The engine has been rebuilt once in 2019, and is in need of replacement as it currently approaches its life cycle end. We are seeking qualified vendors to source similar equipment that can perform the same functions as the current model which has been utilized roughly working on 200,000 sq ft of flooring on a weekly basis.

SCOPE OF WORK

Equipment Supply

The vendor shall supply one (1) industrial ride-on scrubber sweeper with the following minimum required capabilities:

- Simultaneous sweeping and scrubbing functionality, cylindrical scrub deck, side sweep brush for debris capture, integrated vacuum recovery system with rear squeegee, LP propane, onboard solution and recovery tanks, minimum productivity suitable for large facilities (50,000+ sq ft)

Cleaning Performance Requirements

The equipment must be capable of cleaning the following facility environments

- Concrete concourses, polished concrete, sealed concrete, epoxy floors, back of house corridors, loading docks. Cleaning functions must include dry debris sweeping, wet scrubbing, water recovery with minimal residual moisture dust containment.

Delivery & Installation

Vendor shall provide

- Delivery of equipment, offloading and placement, initial machine inspection, commissioning and operational testing, demonstration of machine functions.

Warranty

Vendor shall provide

- Minimum 36-months manufacturer warranty, coverage for parts and labor, documentation of warranty process response time for service calls.

Preventative Maintenance Support

The vendor shall outline available service plans including:

- Preventative maintenance schedule, availability of replacement brushes, pads, and squeegees, service technician availability, and typical repair response time.

Safety Requirements

Equipment must include:

- Audible backup alarm, warning lights or beacons, operator safety controls, emergency shut off, compliance with applicable OSHA safety standards

Documentation

Vendor shall provide:

- Operator manual, maintenance manual, parts list, recommended maintenance schedule.

Acceptance Criteria

Equipment will be accepted upon the following:

- Successful demonstration of all functions, completion of operator training, delivery of manuals and warranty documentation, verification of specifications listed in the RFQ
